EXAMINER'S COMMENT

Specification

The substitute specification filed with the Amendment filed on February 3, 2004 has been entered. The substitute specification was reviewed carefully for new matter, and it was determined that no new matter was inadvertently added to the substitute specification filed on September 3, 2002. Furthermore, when the substitute specification filed on September 3, 2002 was entered, it was reviewed carefully for new matter, and at that time it was determined that no new matter was inadvertently added to original specification.

Drawings

The replacement drawings filed on February 3, 2004 are objected to for being clearly informal. In response to this office action, **Formal Drawings are Required.**
